

# Metro Area Practical Shooting Association

## Bay 3

### *Never Cared for Yorick*

**Start Position:** Toes on Xs, standing outside the shooting area facing up range, hands relaxed at sides. Skull is sitting upright in the center on top of one of the barrels adjacent to the start position. Basket is sitting upright in the center on top of the other barrel adjacent to the start position. Shooter may swap the sides the skull and basket start on.

**Gun Ready Condition:** Handgun is loaded and holstered.

**Stage Procedure:** At the start signal put the skull in the basket and engage targets as they become visible from within the shooting area. A procedural will be assessed for every shot fired with the skull not in the basket and that basket not on the barrel it was on at the start signal. Walls extend to the ground and upward to infinity and beyond.
