

Metro Area Practical Shooting Association

Bay 3

Pick Your Poison

Start Position: Competitor standing inside shooting area facing downrange with hands relaxed at sides and either right foot touching right fault line or left foot touching left fault line. All ammunition to be used in the stage must be on one or more of the barrels.

Gun Ready Condition: Handgun is unloaded and holstered.

Stage Procedure: Upon start signal engage targets as they become visible within the shooting area.

Setup Crew: Position the staked barrels at least one foot away from the fault line.
